

The Police Rehabilitation Centre (Flint House)

A rehabilitation/convalescent facility has been continuously provided for police officers ever since Miss Catherine Gurney O.B.E opened the first Police Seaside Home in 1890. Because of demand for its services it has been necessary to relocate the Centre on a number of occasions over the years until the existing centre was opened at Flint House, Oxfordshire, in 1988.

What has evolved is a top quality care, treatment and rehabilitation centre which is able to provide sophisticated and intensive treatment to speed the recovery of contributing officers who are assaulted or injured on or off duty or are otherwise suffering from illness.

The centre provides intensive rehabilitation including physiotherapy, hydrotherapy, psychological support, counselling and stress management at a location where the accommodation facilities are equal to those of a high standard hotel. All this is underpinned by fully trained, loyal and conscientious staff who do all they can to ensure that any period of convalescence is as comfortable and beneficial as possible.

Flint House is part of the Give as you Earn Scheme whereby your donation is taken from your pre-tax salary, meaning that part of your donation comes from money that would otherwise have gone to HMRC.

Accordingly, if you would now like to join the scheme please complete the form below and return to the Federation Office, O.C.C, Wymondham.

THE POLICE REHABILITATION CENTRE (FLINT HOUSE)
